CONTACT REPORT

4 May 1954

SUBJECT: Meeting with AECASSOWARY 15.

1. I called Cass 15 in the morning and asked him to meet me in his new Buick in order to pick up several packages containing Uke newspapers, VOA scripts, etc. He said he would be at the appointed meeting place at 2 PM. He was. I brought [] with me to help carry the load and to also re-introduce him into the Aerodynamic business.
2. ECASS 15 drove us to the Hot Shoppe across the 14th St bridge where we went to chat a while and have coffee. Aside from the casual conversation held, the following business was conducted:
 - a) CASS 15 wanted to know whether I could have the money ready for the study group before the 7th of May as he planned on going to NY then and wanted to take the money with him. I said I'd try to have it ready.
 - b) I asked him whether he had Called CASS 2 to tell him of the change in info from Javelin re CASS 5's capture in stead of Cawnpore 5's. He said he did but had no comment from CASS 2 because of not wanting to talk on this subject on the phone.
 - c) CASS 2 wanted to know whether I had heard from MUNI re CASS 3, et.al. on their possibility of obtaining a visa to visit wither Switz. Italy or France. I told him that I had not received word yet.
 - d) I asked him whether he had gotten the letter from CASS 2 containing the phrase from him to be included in the CASTHAGE 12 letter. He said no, but would let me know when it arrived.
 - e) This concluded the business.
